

CLASSIC SERIES

THE FORECAST IS CALLING FOR NOTHING IT CAN'T HANDLE.

All-steel construction yet lightweight and easy to control, this machine was made for serious snow removal. Its interlocking levers let you operate one-handed when throwing snow and driving, while its steel serrated auger makes a quick meal out of whatever Mother Nature dishes out. Heavy and wet? Light and fluffy? The Classic throws it all.

My Ariens snow thrower has never let me down. Deep blizzards, sub-zero temps, it doesn't matter, it starts right up and gets the job done.
